RELEASE

I, _____, being over the age of eighteen (18) desire to participate in the Owensboro Sister Cities sponsored Study Program in Olomouc, Czech Republic with instruction provided through one of the cooperating institutions for the summer 2010 session. I understand that I will travel via commercial airlines, commercial, institution and personal transportation vehicles.

I understand that Owensboro Sister Cities and Regions and the cooperating institutions provide support for the program through the screening of candidates, orientation of participants and pre-travel communications with both Czech and U.S. affiliations making the study program feasible. However, many aspects of the program in the United States and the Czech Republic are the responsibility of our domestic and Czech partners over which we have no control. Any Owensboro support services that are needed by program participants while abroad will attempt to be provided by the credit registering institution and/or Owensboro Sister Cities and Regions.

I understand that as an American citizen in a foreign country I will be subject to the laws of that country. Further, I understand that I am a representative of the City of Owensboro, the Commonwealth of Kentucky and the United States due to the formal Sister Cities relationship existing between Owensboro and Olomouc. I agree to conduct myself in accordance with my representative status. Those breaking this agreement will be sent home at their own expense, without any refund. Damages will be assessed and charges may be filed for damage or infractions of the law.

I further understand that I am solely responsible for any and all costs arising out of my voluntary or involuntary withdrawal from the program prior to its completion. I also certify that I have health and hospitalization insurance which is applicable abroad and have taken steps to follow such recommendations as to having liability, trip cancellation and evacuation insurance coverage. I understand that I will have to secure my passport and an international student identification card.

In consideration of being afforded the opportunity to participate in this student study program abroad, I, for myself, my heirs, successors or assigns, hereby release and hold harmless Owensboro Sister Cities, Inc., each and all of the sponsoring institutions, their agents, servants and employees, from any and all claims, demands, causes of action or damages which may accrue on account of bodily or personal injury, property damage or death arising from the negligence of the aforesaid parties. I am knowledgeable of the possible dangers of domestic and foreign travel in exchange programs, such as: international terrorism, hijacking, kidnapping, or accidental death.
